Born of God

Born of God-Born of God-Born of God!

My thoughts are born of God.

My words are born of god.

My actions are born of God.

This is truth. It is a touch of my will-o'-the wisp thoughts on reality to say they are born of God.

God is here. I touch my face against God and its beauty is the beauty of God. I lay my gold on Gods here substance and its purchasing power is Jesus Christ ability.

God is here. Behind me is God. I lay all I have there and say unto it – “Born of God!”

God is before me, I put down all that I have there and say unto it – “Born of God!”

On my right I stretch my hand and lay it upon God – and lo my hand is born of God. It works whatsoever is good.

On my left hand there is my resting place.

Under me is the eternal God.

My feet touching God go not astray.

I remember where I am born of God I am all God.
