### *Important Information about Check Image Statements*

*If you are receiving statements displaying digital images of the front and back of each check, please note the following important information.*

*Statements will be limited to ten thousand digital check images. Accounts with more than ten thousand checks per statement period will not receive check images with the account statement.*

*If you should require a copy of a specific check image, all the digital check images or to discuss other delivery channels for check images please feel free to contact us at the phone number provided on this statement. Check images are retained on our secure system for the period specified by law.*

*Please read and retain this information with all of your KeyBank Account Opening Agreements and Disclosures.*

### *Important Notice of Changes to your Funds Availability Policy*

*As a result of the Federal Reserve Banks' reduction in the number of locations at which they process checks, effective February 26, 2010, the KeyBank National Association Funds Availability Policy was revised. As of that date, the Reserve Banks transferred the check-processing operations of the head office of the Federal Reserve Bank of Atlanta to the head office of the Federal Reserve Bank of Cleveland. Now there is only a single check-processing region and there are no longer any checks that are nonlocal. Because there are no longer any nonlocal checks, the introductory paragraph and sections 5 and 8 of the Funds Availability Policy you received at the time you opened your Account(s) are amended to remove any references to nonlocal checks. In addition, the routing number chart found in Section 5 was removed as it is no longer applicable.*

*Please retain this important information for you records. A complete copy of the revised Funds Availability Policy is available at any KeyBank branch.*

#### IMPORTANT LINE OF CREDIT INFORMATION

**What To Do If You Think You Find A Mistake on Your Statement :** If you think there is an error on your statement, write us at: KeyBank N.A., P.O Box 93885, Cleveland, OH 44101- 4825.

In your letter, give us the following information:

- Account Information : Your name and account number.
- Dollar Amount : The dollar amount of the suspected error.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Explanation of Finance Charge:** Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

**Average Daily Balance method (Balance Subject to Interest Rate):** Your interest is computed on all purchases and cash advances (collectively "advances") from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the "Average Daily Balance" of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

**CREDIT INFORMATION:** If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:

Key Credit Research Department  
P.O. Box 94518  
Cleveland, Ohio 44101-4518

Please include your account number, a copy of your credit report reflecting the inaccurate information, name, address, city, state, and zip code, and an explanation of why you believe the information is inaccurate.
